# 1 What's New

The tables below describe the functions released in each IAM Identity Center version and corresponding documentation updates. New features will be successively launched in each region.

## April 2025

No.	Feature	Description	Phase	Document
1	IAM Identity Center	IAM Identity Center helps you centrally manage your workforce identities and their access to multiple accounts through Huawei Cloud Organizations. You can create identities for your entire enterprise at one go and give them single sign-on (SSO) access with managed permissions.	Commercial use	<a href="#">What Is IAM Identity Center?</a>
