1 Notice on MPC Permission Control Upgrade

To further enhance service security, MPC permissions management will soon be upgraded. IAM users without MPC permissions will be unable to access MPC functions. Please ensure that the required permissions are granted to IAM users. For more information, see [Using IAM to Grant Access to MPC](#). If permissions have already been granted to them, no further action is required.

These changes will be applied around **December 30, 2025**. Please stay tuned for the latest MPC updates and adjust your services accordingly. If you have any questions, contact your account manager or submit a [service ticket](#). Thank you for your trust and support.
