1 HUAWEI CLOUD Notice on the End of Support for SDKs of Earlier Version

Release Date: January 19, 2021

Dear customer,

For a better user experience, HUAWEI CLOUD will no longer support SDKs of the earlier version and will not provide product consulting and problem locating services since **June 30, 2021 00:00:00 GMT+08:00**.

HUAWEI CLOUD has rolled out the newly designed **SDK V3** to provide you with a consistent SDK experience. You can add dependencies or download SDKs to call HUAWEI CLOUD APIs to access HUAWEI CLOUD applications, resources, and data.

To avoid unnecessary service interruption, replace the SDKs of the earlier version with SDK V3 before June 29, 2021 23:59:59 GMT+08:00.

If you have any questions, please [submit a service ticket](#).

Thank you for using HUAWEI CLOUD.
