# 1 Applying for a DCC

---

The following operations guide you to apply for a Dedicated Computing Cluster (DCC).

## Registering an Account

1. Visit the Huawei Cloud website at <https://www.huaweicloud.com/intl/en-us/>.
2. Click **Register** in the upper right corner of the page.  
On the **Account Registration** page, complete the registration as prompted.

## Enabling DeC

Before applying for a DCC, you must enable the Dedicated Cloud (DeC) service. Therefore, reserve sufficient time for each process so that you can use the DeC service in a timely manner as expected.

## Applying for a DCC

1. On the homepage of the Huawei Cloud website, click **Console** in the upper right corner.  
The login page of Huawei Cloud is displayed.
2. Enter user credentials to log in to the Huawei Cloud console.
3. Switch to the target region where DeC is enabled.
4. Click **Service List**. Under **Computing**, click **Dedicated Cloud**. On the **DeC** page, click the DeC that has been enabled.
5. On the **Dedicated Computing Cluster** page, click **Apply for Resource** in the upper right corner.
6. Locate the server type you want to add, set the desired number in the **Quantity** column, and select a usage duration.
7. Click **Next**.
8. Confirm the configuration and click **Submit**.
9. After the task is successfully submitted, the system generates a payment order.

Once your payment is verified, the administrator will enable your required resources as soon as possible. After your resources are enabled, the order is in the completed state.
