1 Applying for a DCC

The following operations guide you to apply for a Dedicated Computing Cluster (DCC).

Registering an Account

1. Visit the HUAWEI CLOUD website at **https://intl.huaweicloud.com/en-us/**.
2. Click **Register** in the upper right corner of the page.

   On the **Account Registration** page, complete the registration as prompted.

Enabling DeC

Before applying for a DCC, you must enable the Dedicated Cloud (DeC) service. It is best practice that you reserve sufficient time for each stage so that you can use the DeC service in a timely manner as expected.

Applying for a DCC

1. On the homepage of the HUAWEI CLOUD website, click **Console** in the upper right corner.

   The login page of HUAWEI CLOUD is displayed.
2. Enter user credentials to log in to the HUAWEI CLOUD management console.
3. Switch to the target region where DeC is enabled.
4. Click **Service List**. Under **Computing**, click **Dedicated Cloud**. On the **DeC** page, click the DeC that has been enabled.
5. On the **Dedicated Computing Cluster** page, click **Apply for Resource**.
6. Locate the server type you want to add, set the desired number in the **Quantity** column, and select a usage duration.
7. Click **Next**.
8. Confirm the configuration and click **Submit**.
9. After the task is successfully submitted, the system generates a payment order.
